

EM-01 – For ambitious users with space requirements!

The **EM-01** convinces due to its thought-out and very robust design and has a variety of features. To ensure a vibration-free operation of the PSU you have a decoupled space for mounting in the bottom of the case. The **EM-01** offers up to 7 options for fan mounting. Moreover, four of them can be fixed behind removable dust filters in the bottom and cap of the case.

Another highlight besides the well-thought-out cooling concept is the easy and quick installation of all components. The 9 vibration dampened mounting options for 3.5" HDDs (up to three screwless mountable) ensure a quiet and vibration free operation. All rounded up by screwless mounting of the 5.25" drives and the mounting option for 2.5" on the back of the motherboard tray. The great combination of intelligent cable management and the option to remove all 3 HDD cages makes the **EM-01** a real space wonder which offers space for cards up to a length of 42cm.

Further features of the **EM-01** are the preparation for water cooling and reusable slot brackets which are removable quick and toolless. The USB 3.0 connectors are handily placed on the cap of the Case and ensure a superfast transfer of your data.

Specifications

Motherboard	ATX, µATX
Max. Drive Bays	5.25" external: 2 ¹ 3.5" external: 1 ¹ 3.5" internal: 9 ¹ 2.5" internal: 5 ¹
Front Connectors	USB 3.0: 2 Microphone: 1 Speaker: 1
Cooling System	Front: 2x 140mm or 120mm Rear: 1x 120mm Cap: 2x 140mm or 120mm Bottom: 2x 120mm
Packing Units	Shipping Unit: 1 Piece Packing Unit: 20 Pieces
Guarantee and Warranty	Case 24 Months Warranty
Article Number	88881253
EAN-Code	4260133129559
Scope of Delivery	5.25" to 3.5" Adapter (for 3.5" external) Screw set Tool for motherboard spacer Speaker Cable ties Manual (German)
Features	Decoupled PSU mounting in the bottom Removable dust filters bottom and cap Vibration dampened mounting of up to 9 internal 3.5" HDDs (up to 3 screwless) Screwless mounting of external 5.25" HDDs Mounting option for 2.5" HDDs on the back of motherboard tray All three HDD cages toolless removable Prepared for Water cooling 8x Reusable, screwed Slot brackets Cable management Space for up to 8 cards with a length of 42cm (after removing HDD cage, otherwise 29cm) Side panels with thumbscrews USB 3.0 and Audio plug internal as block connectors Feet HD-Audio

¹can vary by using several mounting options
