

ARGUS CAR-20V Notebook Adapter with 7 tips.

The ultra-compact universal Notebook Power Adapter **ARGUS CAR-20V** energizes your notebook efficiently in car or truck.

The most important feature is the automatic voltage change. If chosen the right tip, the adapter changes the voltage automatically depending on the tip and gets a blue illumination. A wrong voltage should be almost impossible.

Through a variety of 7 interchangeable plugs, it fits for a lot of current notebooks.
