IT-9908 Aspirator – Want something extra?

The **IT-9908 Aspirator** is the right Midi-tower for everyone who expects a little bit more than the standard. Whether it is the possibility to exchange HDD through a gate in the side panel without opening the case, the Easy-Clips for a mounting all of components without tools or the optional installable graphic card bracket for up to 3 graphic cards. All extras are designed to endorse an uncomplicated and flexible assembly.

Visually, the Aspirator can persuade thanks its high-contrast interior in black and orange, its rubber-coated drive-blinds and its top front connectors which are hidden under a stylish piston slide.

IT-9908 Aspirator II
