

V6 Guardian – Great Design Small Price

The classic and elegant design of the **V6 Guardian** makes it a perfect choice for home and office-PCs. The drive blinds which are made of perforated grills and silver framed blue application add to the design of this case. And they are real eye-catchers without been to flashy. The high quality finishing of the interior adds to this superb overall impression.

Well reachable front connectors, fan preparations for up to 3 fans, thumbscrews for the side panels and a silent 500W power supply complete this great product.
