

You are looking for a simple case, that stands out from the mass? Then you made the right choice with the **SY-116**! With its finely veined marble and its demonstratively placed power button, it stands out against the mass.

For a good air exchange, the **SY-116** offers several options to mount a cooling fan. A smooth running SL-500 Power Supply with a 12cm fan is also in the scope of delivery.
