

Starter 2 – Thanks to its clear design this slim and modern Midi-tower is the perfect choice for offices and schools. The blue illuminated power button fits perfectly into the design and bestows it with something special.

Besides the optical amenity the **Starter 2** convinces with a super silent 500W power supply with 12cm fan, 4 fan mounts, side panels attached with thumbscrews and a sturdy finish.

The controls and front connectors are all conveniently situated into the front panel. HD-Audio/AC-97 and USB 2.0 front connectors rounds off the positive image.
