The Q7 Dozer – another Gaming Case from Inter-Tech

The Q7 Dozer is the new highlight of the Eterno Series. The Q7 Dozer convinces with its intelligent cable management and its excellent air circulation and offers the possibility to mount two additional 120mm fans. Two ultrasilent, blue illuminated fans at the front and back are already in the scope of delivery. For quick access to your data, you can simply use the USB 3.0-port.

Apart from an intelligent cooling system an easy mounting of the components is one of the main criteria of a good gaming case. Easy clip systems for a screwless installation of the 5.25" hard drives, a removable and rotatable HDD-cage for up to 3 hard disks and drive blends which can be removed from the front – All these guarantee a smooth and easy installation of the components.
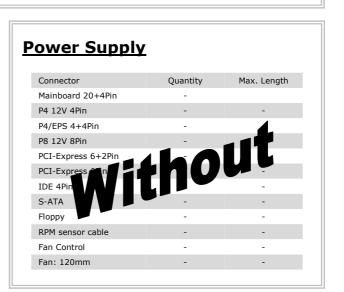

Additionally, the Q7 Dozer is equipped with many little extras to enhance optic, comfort and usability of this case. Whether it is the noble, black finishing of the interior, the possibility to remove the FDD-cage to install a long graphic card, the intelligent cable management, the window kit in the side panel or the perforated, screwed and reusable slot brackets – Everything is included.

Q7 Dozer

Specifications

Motherboard	ATX, µATX
Drive Bays	5.25" external: 3
	3.5" external: 1
	3.5" internal: 4
