

Energion EPS-750W - More Power Less Cost

For customers who needs high wattage but don't want to spend that much money on a power supply the **EPS-750W** is the perfect choice. Despite the low price, Inter-Tech has made no compromise in technical or quality aspects.

Equipped with active PFC, a super silent fan and P4/EPS connectors the **EPS-750W** provides all modern extras. And thanks to the PCI-Express connectors for more demanding graphic cards this device is a real option for every gaming or graphic computer system. The sturdy and black finishing as well as long and flexible cables completes this excellent package.
