

CobaNitrox Nobility CN-700 NS – the high-end power supply from Inter-Tech

Detachable cable management, all important protection functions as well as an excellent efficiency, that is guaranteed through the use of high quality industrial components - everything offers you the Nobility Series. With two PCI-Express 6+2 ports the Nobility CN-700 NS is well equipped for power-hungry graphics cards. Ferrite cores in the pipes prevent from interference pulse. Thanks to two separately switched 12V rails and two EPS/8-pin connectors, demanding systems are properly provided with enough power. All cables are covered with a soft textile jacket and provide easy handling during installation.

The power supply is designed for long-term use in 24/7 operation. We round this promise with 36 month warranty and the ability to direct exchange from the manufacturer.
