

**19" IPC 4098-1 4U –
Classic 19" rack with much space for various hard drives**

With this rack you don't need to worry about any unauthorized access to your hard drives any more. Thanks to the lockable doors your data will be safe.

The integrated air filters grant fresh air and a perfect cooling. And the easily removable HDD cages make the installation of components a simple matter. Furthermore four slot brackets on a removable base provide a safe operation of the cards.
