

## **G-3500 Black brings colour into your life**

SinanPower presents this formidable HDD-case for formidable costumers. If you are fed up with the same pabulum in the HDD-case sector the **G-3500 Black** is the right choice for you.

The brushed aluminium is not only an optic highlight; it also provides excellent heat conduction. So it grants an optimal cooling of the HDD.

And for customers who needs a little bit more speed we equipped this version with an eSATA connector.
