

You are looking for a stylish case, that stands out from the mass? Then you made the right choice with the **SY-111 White**! The elegant white finish of the front panel, as well as the standard USB 3.0 front port, lift the chassis out from the mass.

Besides the reduction to only one external 5.25" drive bay, the **SY-111 White** is equipped with a 2in1 Card Reader, that makes the external 3.5" bay superfluous.
