

WN-52 Taurus – A small but nice computer case

Thanks to its compact dimensions, the **WN-52 Taurus** is perfect for a modern and space-saving office computer. The case is in the classic black and white color: the front design with the piano white finish, paired with two black trims beneath the drive bays, gives this case a certain precious.

Furthermore, all modern extras and features like a 36in1 Card Reader, a 80mm fan and a super-fast USB 3.0 front connector are included.
