

With the mobile Bluetooth® Lautsprecher M7 the enjoyment of the music is no more locally restricted!

Are you still looking for a solution for listening music while celebrating in garden, on the beach or in the whole house? Then the new Bluetooth® **Speaker M7** will give you unlimited music enjoyment.

Thanks to the smart size, the built-in battery and the integrated Bluetooth® technology the enjoyment of music is no more locally restricted. The telephone function and the recording function make it possible to phone even if music is being played. Certainly it is also possible to connect the **Speaker M7** directly to your handy.
