

V6 Paladin – Great Design Small Price

The classic and elegant design of the **V6 Paladin** makes it a perfect choice for home and office-PCs. The drive blinds which are made of perforated grills and silver framed application add to the design of this case. And they are real eye-catchers without been to flashy. The high quality finishing of the interior adds to this superb overall impression.

Well reachable front connectors like **1x USB 3.0**, 1x USB 2.0, fan preparations for up to 3 fans and thumbscrews for the side panels complete this great product.
