

## **GM-6019 – The modest Micro-Case for everyone**

Thanks to the modest design the **GM-6019** finds its usage in several ways. For example as favorable office system or also as an inconspicuous case for gamers.

Despite its small construction the **GM-6019** offers enough space for up to three internal HDDs and can handle graphics cards up to a length of 36cm.

Optional mounting spots for fans in the front and rear of the case ensure optimal cooling. To round up the great offer, the case has two **USB 3.0** front connectors.
