IT-9909 Airmaster

The **IT-9909 Airmaster** comes with a fresh and modern design. With its striking metal grill optic it represents a new flavour in the field of computer cases.

HD-Audio/AC97, 4xUSB, eSATA front connectors and the controls are all placed well-reachable on top of the case.

The colours of the standard 120mm front fan and the 220mm side fan can be controlled via two buttons which are inserted into the onTop panel. The colours blue, pale blue, purple, green, green-yellow, red are available but also a periodic change of this colours or the deactivation of the LEDs is possible.

The rugged workmanship, a spacious interior and the Easy-Clip system for a screwless mounting of the components completes this remarkable case.
