

JY X-6 Aircraft – A low priced gaming case

Inter-Tech has provided this case many handy extras. Details like the two silent fans in the side panel which ensures an optimal cooling of the components. Additionally, an optional installable 120mm fan bracket is part of scope of delivery. In combination with the integrated dust filter in the front panel this guarantees an optimal and dust free supply of fresh air.

The HDD-cage is rotated about 90° and equipped with four elastic plastic trays for a screwless mounting of the hard drives and to ensures that there is as less vibrations as possible.

Thumbscrews for the side panels, 1x USB 3.0, 2x USB 2.0 and audio connectors which are well placed on top of the case under a piston slide and Easy-Clips for a screwless mounting of the external hard drives complete this grade package.
