

JY X-5 Ventilation – A low priced gaming case

Inter-Tech has provided this case many handy extras. Details like the two silent fans in the side panel which ensures an optimal cooling of the components. Additionally, an optional installable 120mm fan bracket is part of scope of delivery.

The HDD-cage is rotated about 90° and equipped with four elastic plastic trays for a screwless mounting of the hard drives and to ensures that there is as less vibrations as possible. The front panel and side panels are coated with high-gloss finishing in black and baby blue which provides a fresh and young look.

Thumbscrews for the side panels, 4x USB 2.0 and front connectors which are well placed in the middle of the front and Easy-Clips for a screwless mounting of the external hard drives complete this grade package.
