V6 Wizard – Great Design Small Price

The classic and elegant design of the **V6 Wizard** makes it a perfect choice for home and office-PCs. The silver framed power button and the silver line underneath it add to the design of this case. And they are real eye-catchers without been to flashy. The high quality finishing of the interior adds to this superb overall impression.

Well reachable front connectors, fan preparations for up to 3 fans, thumbscrews for the side panels and a silent 500W power supply complete this great product.
