

## **ITX-901**

This Mini-ITX-Case provides enough space for one 5.25" external drive (DVD/CD), one 3.5" external drive (e.g. card reader) and one 3.5" internal drive (hard drive). A removable HDD cage and thumbscrews for the panels makes the installation an easy task.

The airing holes in the side panels and on the back side of this case provide more than enough cooling for your equipment.

Also a silent and reliable power supply is standard and provides more than enough power for all components.

The elegant piano finish optic gives this case a classy look.

The **ITX-901** will fulfil your wish of a low-priced Mini-ITX system.

## Specifications
