

CobaNitrox IT-8600SG — A Insider Tipp for Adept

Inter-tech presents a high-end power supply with all extras. A multitude of features like variable cable management, manually or automatically fan speed control, an antivibration mounting kit and a very high efficiency thanks to industrial components ensure a state-of-the-art power supply.

Furthermore, the **CobaNitrox IT-8600SG** has various PCI-Express connectors for SLi and Crossfire graphic cards and ferrite cores on every graphic cards connector to avoid electromagnetic interferences.

Due to 4 separated 12V Output rails this power supply is suited for high-end systems. All cables are coated with black cable sleeves. In addition the **CobaNitrox IT-8600SG** provides short circuit-, overload-, no load-, over current-, and over voltage protection.

36 months warranty speaks for the quality and reliability of this product.
