

CobaKing 550W - Our Low Cost All-rounder

Inter-Tech presents **CobaKing 550W** a high quality power supply for little money. Despised the low price all modern standards are included in this device. Whether it is P4 connectors, 2 separated 12V-lines or a super silent 120mm fan, this power supply offers every current extra. Even for customers with higher demands to the graphic card this power supply with a PCI-Express connector should be a real alternative.

The cool looking blue 120mm fan and the stylish black finishing of the PSU generates a perfect contrast and makes this device a real eye catcher.

Much Power Less Cost. A true Inter-Tech product.

Specifications

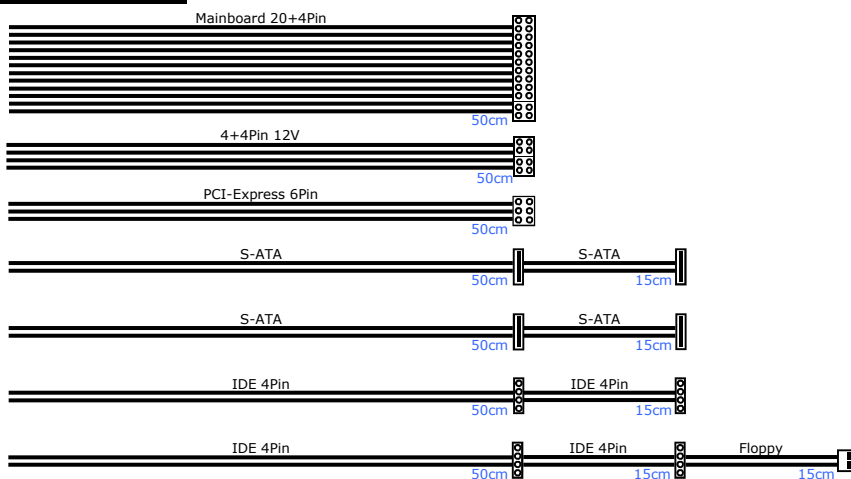

Output	550W
Mainboard 20+4Pin	1x
