

ITX D3 Black

The new Mini-ITX generation of Inter-Tech - modern, style-conscious and remarkably practical. The **ITX D3** is completely made of 1.5mm thick aluminum and has therefore, also by the 120mm fan and the many ventilation holes, excellent, thermal load of the components.

The case offers the possibility to mount a Mini-ITX motherboard and for a performance-hungry system the **ITX D3** offers space for a standard ATX power supply. Thanks to the large space the **D3** offers many possibilities for DIY.

Two USB connectors on the top panel, **one USB 3.0** and one USB 2.0, as well as the opening for the WLAN antenna and COM ports on the rear side round up the diversity of this case.
